Fri-Sun	24th-26th	Summer Cup 10th Round
Sun	26th	Monthly Medal & Masters - Blue Tees

General Rules - All Members

Extreme Weather Policy

Dangerous weather

...includes lightning, extreme heat and severe winds.

The Match Committee will in the event of lightning, severe winds or extreme heat, suspend or abandon play in the competition of the day.

However, should any player consider there is danger from lightning or adverse weather in the area, he or she should discontinue play until it is safe to resume. That is, an individual player's judgement can overrule that of the match committee.

If a player discontinues play they must still return their scorecard to the clubrooms.

Heat

There is no specific temperature at which a Golf Competition will be cancelled as our starting times are in the coolest part of the day and may well finish before the hottest part of the day. All members can make their own decisions to play, be it 9 holes to finish out of the heat or 18 holes to complete a full round.

The Match Committee/Captain will always have the option of cancelling play if they feel conditions are considered unbearable or dangerous.

The Match Committee is however obligated to provide the right advice before play on potentially hot days. This will consist of warnings when the ambient temperature is likely to rise above 30 degrees during play. On these days the Club will provide warnings that:

- Hydration is necessary

- Light clothing is necessary

- Shade is necessary

All players need to keep an eye on each other for signs of Heat Stress.

Wind / Lightning / Other

In the event of extreme conditions an air horn will be sounded to indicate the temporary suspension of play

SIREN NOTIFICATION PROCEDURES

1. Suspension of play

Suspension of play will be signalled by Three (3) blasts (repeated) of the siren. Play may continue to the completion of the current hole, or balls may be marked if completion is not practicable. Players should return to the Clubhouse until further notice and await advice on resumption.

2. Emergency Evacuation

One (1) continuous blast of the siren.
Players should cease play immediately and return to the Clubhouse.

3. Resumption of Play

Two (2) short blasts of the siren.
Players should return to their positions immediately and resume play.

Golf Course information & Etiquette

Safety Issues

Take care on the areas where paths and steps are badly worn, eroded due to rain or are slippery from moisture. When teeing off from the second hole, ask the group playing the first to give the all clear if you are not sure where the players in front are.

Call Ups

Players are encouraged to call up the group behind on the following holes: 7th, 9th, 16th, 18th. All players in the group calling up must stand in a safe position at the rear of the green.

Right of Way on Fairways

In the interest of speedy play the forward group has right of way on all fairways. Eg if you play a ball from the sixth tee to the fifth fairway, those playing the fifth must give right of way to prevent delays.

Pace of Play

If your group is falling behind the group in front, encourage the first two of your group who've completed the hole to proceed to the next hole and tee off. It is the responsibility of your group to maintain your position behind the group in front. If your group has fallen behind by more than a hole and you are delaying the group behind you must call the latter group through as soon as further delays become evident. The lowest handicapper in each group is responsible for maintaining the pace of play. Penalties will apply for non-observance.

Players searching for a ball have 3 minutes to locate the ball once they arrive at the place they believe it went to. Should a player be in doubt of the status of his ball being lost or out of bounds then the player is encouraged to hit a provisional ball. As soon as it becomes evident that a ball is lost or shall not be easily located then they should signal the group behind to play through. Having allowed the group to play through, they should not continue play until that group is no longer in range of their next shot.

Members are requested not to leave Golf Bags, Carts or Buggies unattended at the front of the green as this can often delay the group behind and as such may constitute slow play (Ref, rule 6.7 Undue delay) The match committee has adopted the use of local model rule E-5. For details of relief options, refer to USGA rules of golf 2019.

Care of Course

All members are advised to carry sand buckets and where applicable and when not in contravention of the rules of golf make repairs to divot marks on the course. A pitch mark repair tool should also be carried in order to repair any ball marks made on the green putting surface. Golf Carts and Buggies are not permitted on tee grounds or greens

Bunkers

Before leaving a bunker, players should carefully fill up and smooth over all holes and footprints made by themselves and nearby by others.

Putting Green Etiquette

Players shall not use the blade of their putter or stand within 200mm of the edge of the hole when retrieving the ball from the cup. When putting players are encouraged to promptly announce their intention to continue or delay their next putt by stating "I shall mark it" or "I will continue" after an unsuccessful putt.

GPS Devices

In accordance with VGL Rules, Legal distance measuring devices are allowed to be used whilst playing competition rounds at Riverside Essendon Club events including all sanctioned VGL Events. Mobile Phones with Apps are also allowed provided they do not have access to measure the velocity or direction of the wind.

Complaints/Disputes

Any valid complaint/dispute regarding golfing matters must be lodged in writing to the match committee no later than 24 hours following the competition of the event at which the matter arose.

Riverside Golf Course Local Rules

Refer to local scorecard and notice board for details.

To be read in conjunction with the rules of golf and temporary local rules

SUMMER CUP CONDITIONS

The Summer Cup will commence in November for **12 weeks for Women.**

The Summer Cup will commence in November for **12 weeks for Men.**

Players must pay a \$10 entry fee to cover prizes. The completed entry form and fee must be handed to the respective Captain or Vice-Captain prior to competing. The event is over 9 holes of Stableford on Fridays/Saturdays/Sundays.

Please note- as per Rule 7.1b Rules of Golf- a player must not practice on the competition course. That is you can only play in one competition on any day (not a 9 hole & an 18 hole competition on the same day).

Competition will be played off Yellow Public markers using GA handicaps. eg use rounding 29.4 =29, 29.5 =30

Players to mark cards as Holes 1 – 9. The best Stableford score for the combined each Friday's/Saturday's/Sunday's competition will be awarded a prize for that's weeks Event.

Cards must be signed & placed in the club mailbox (on the front gate to the clubrooms) by dark on the Sunday of each round. Please note: As per Rule Selection for Qualification for Finals shall be Eight (8) players with the Best Aggregate Score over the Best Six (6) Rounds of a possible 12 Rounds in the Event. It is not compulsory to have played Six (6) rounds to qualify. The top Eight (8) Qualifiers will play Elimination Stableford Rounds.

In the event of a Tie for Eighth Position, the player with the Best Single Round will Qualify. (see below if actual score is the same for the Best Single Round)

If two or more players are Tied for any of the Qualifying Positions, the player with the Best single round will qualify for the best position of the draw.

If the Player's Actual Scores are the same for the Best Single Round, then a Countback will apply and shall continue on this process for each of the next five (5) Best Single Rounds until positions are decided.

If by chance a decision is not reached after checking the best six (6) rounds then all tied Players names to go into a draw with first drawn etc to take the Best Qualifying Position.

If during any Finals of Summer Cup Matches, a game is Drawn on Stableford Points then a Sudden Death Playoff is to commence immediately from the 1st Hole.

All Members - Competition Conditions cont...

Women's Competition Conditions

GENERAL

A person who is financial and has a handicap is eligible to enter events that any other member of the club who is financial and has a current handicap is also able to enter. Note: the Club Championship has its own specific eligibility criteria. Players will be required to pay the correct green fees and any competition fee as determined by the committee before commencing play. Players who have been found to have competed without paying fees will be disqualified from the competition.

Each player, before commencing play, will report to the Tee-Master 15 minutes before their tee time and enter their name on the daily competition sheet. Failure to do so shall result in Disqualification. The player shall also enter their name, handicap and date on top of their scorecard and register to play in the MiClub System. All competition events will be played off Golf Australia Handicaps.

Before commencing play, it is the player's responsibility to ascertain their correct handicap and read the notice board for temporary local rules or any other notices affecting competition.

All players MUST hand in cards at the completion of each round whether round completed or not, with special attention being paid to the correctness of their score, applied handicap and correctly signed.

Competition Grades are A & B (where competitions have 20 or more entered otherwise one grade), these grades are set at the start of each season.

For a competition to take place there must be a minimum of 5 players entered. If there are 4 players or less score cards will be processed on MiClub. If this occurs on a Major Event Day the competition where possible, will be rescheduled to a date determined by the Match Committee.

For Major Events there must be a minimum of 5 players who have nominated for the relevant competition day ie Saturday or Wednesday. For all Stroke events with Gross or Nett the Gross winner cannot win the Nett event.

Tee Placements: Major Events/Monthly Medals- Red Markers

All other events (inc Mon/Wed Competition) – Green Markers

Women's Competition Conditions cont...

Nominating Major Event Day

New members are required to advise the committee of their nominated Major Events Day (Wed or Sat) when joining the club. The Major Events Day can be changed at the start of each season and in extenuating circumstances only. The Match Committee will consider a written application to change nominated day during a season. If the change is made mid-year the player forfeits the right to win any future major event including medal of medallist and matchplay of their prior Major Event Day
